SATISFACTORY ACADEMIC PROGRESS POLICY

The Satisfactory Academic Progress Policy is consistently applied to all students at Blush Platinum Academy. It is posted on our website www.blushacademywv.com handbook/catalog to ensure all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS), the federal regulations established by the United States Department of Education, the U.S. Department of Veterans Affairs, and the West Virginia State Board of Barbers and Cosmetologists.

EVALUATION PERIODS

Students are evaluated for Satisfactory Academic Progress as follows:

1. Cosmetology, 1800-hour program: 450 (15 weeks), 900 (30 weeks), 1350 (45 weeks), 1800 (60 weeks) actual clock hours
2. Hairstylist, 1000-hour program: 450 (15 weeks), 900 (30 weeks), 1000 (34 weeks) actual clock hours
3. Esthetics, 600-hour program: 300 (10 weeks), 600 (20 weeks) actual clock hours

Transfer Students- Midpoint of the contracted hours or the or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course.

ATTENDANCE PROGRESS EVALUATIONS

Students are required to attend a minimum of 80% of the hours possible based on the applicable attendance schedule to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 80% cumulative attendance since the beginning of the course which indicates that, given that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time (which is 125% of the course length) allows for students to complete each course at satisfactory academic progress is stated below:

COURSE	WEEKS	SCHEDULED HOURS
Cosmetology (Full Time, 37.5 hrs/wk)—1800 hours	60	2250
Hairstylist (Full Time, 37.5 hrs/wk)—1000 hours	34	1250
Esthetics (Full Time, 37.5 hrs/wk)—600 hours	25	750

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 80% of the scheduled contracted hours. **Students exceeding the maximum timeframe may stay enrolled in the institution but will not be eligible for additional funding, if applicable.**

ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted, and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

90% - 100%	A
80% - 89%	B
70% - 79%	C
60% - 69%	D

59% and below

F

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a copy of their Satisfactory Academic Progress report at the time of each evaluation. Students deemed not maintaining Satisfactory Academic Progress may have their funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, they may be placed on probation and, if applicable, students may be deemed ineligible to receive funding, if applicable.

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Students can prevail in appeal by either being able to mathematically achieve satisfactory academic progress by next evaluation or are placed on an academic plan which allows for the achievement of SAP standards within the student's maximum time frame. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considering making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. ***If at the end of the probationary period, the student still has not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress, and, if applicable, students will NOT be eligible to receive funding.***

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

For a student to re-establish satisfactory academic progress, the student must meet the minimum attendance and academic requirements by the end of the warning or probationary period. **Those students that remain in unsatisfactory progress status during the remainder of their attendance in the course in which they are enrolled will be allowed to complete the program on a self-pay basis.**

INTERRUPTIONS, COURSE INCOMPLETES, AND WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence (LOA), the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not

be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status at the time of withdrawal.

APPEAL PROCEDURE

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten (10) calendar days. Reasons for which students may appeal a negative progress report include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the Director of the school describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. The information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed, and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed.

Documentation for extenuating circumstances will be accepted from the following sources: Law Enforcement Officials, Medical and Surgical Professionals, Legal Aid Attorneys, Department of Human Services, or information documented by newspapers or other sources providing valid information on student's circumstances.

INCOMPLETES, REPETITIONS AND NON-CREDIT

Incomplete courses, repetitions and non-credit remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

TRANSFER HOURS AND SATISFACTORY ACADEMIC PROGRESS

Regarding the Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted.

When a student is aware in advance that an absence is necessary, he/she must inform the Director. Blush Platinum Academy may grant a LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances, the institution will document the reason for its decision and will collect the Leave of Absence request form from the student later. The beginning date of the approved LOA would be determined by the institution to be the first date the student was unable to attend the institution.

While a student is on leave, Blush Platinum Academy will not assess any additional charges as a result of the LOA. A student granted a LOA is not considered to have withdrawn, and no refund calculation is required at that time.

Financial aid regulations have set forth a maximum time frame for a leave of absence. No leave can be granted beyond the maximum time frame of 180 days in any 12-month period.

There must be a reasonable expectation that the student will return from the LOA. Approval of the student's request for a LOA is in accordance with the school's policy. Blush Platinum Academy will extend the student's

contract period by the same number of calendar days taken in the LOA. Changes to the contract period on the enrollment will appear in an addendum to the agreement and must be signed and dated by all parties.

If a student accumulates fourteen (14) days of consecutive absences and a LOA was not acquired, the student will be immediately dismissed from Blush Platinum Academy. Failure to return to school after a LOA will result in immediate withdrawal. Blush Platinum Academy is required to take attendance, the withdrawal date for the purpose of calculation refund is always the student's last day of attendance. Distance Education Policy and Disclosure

1. Distance Education will not be utilized as a method of delivery of clinical instruction in which the student is to perform practical applications on a live model and/or client.
2. The interaction with the instructor will be validated by regular measurable participation (clock hour, credit hour, or competency based) in the academic programs. Participation will be documented within a log of all student activity comprised of (at a minimum) a record of regular and substantive interaction between student(s) and instructor(s), as described below:
 - a. Substantive interaction for distance education learning activities is engaging students in teaching, learning, and assessment and must include two (2) of the following at a minimum:
 - i. Providing direct instruction
 - ii. Assessing or providing feedback on student's distance education coursework
 - iii. Providing information or responding to questions about the content of distance education coursework
 - iv. Facilitating a group discussion regarding the content of distance education coursework
 - b. Regular interaction for distance education learning activities between a student and an instructor must include the following:
 - i. Providing the opportunity for substantive interactions with the student on a scheduled basis
 - ii. Monitoring the student's academic engagement and ensuring the instructor is responsible for substantive interaction
 - c. Distance Education delivered asynchronously must be validated to measure actual student "seat time" for clock hour programs.
3. A Distance Education Assessment of student performance will be conducted on-campus by a qualified instructor at least once monthly with respect to any distance education completed within the preceding month.
4. Upon completion of all curriculum requirements, the student must pass a comprehensive Academic and Practical final exam (which shall be administered on-campus) to include any applicable competencies required by the State licensure agency prior to graduation from the program.

5. All transcripts or other documents, (official or unofficial), listing academic attainment received will identify the distance education component;
6. Prior to enrollment, students are provided with a disclaimer that academic achievement earned via distance education may not be accepted for reciprocity or eligible for licensure in other states. A signed and dated copy of this disclosure will be found in the student file.

To earn credit for your at-home day, you must be present in class the following day, including excused absences. If the at home day is unexcused will be charged \$20 per hour.

ADDITIONAL FINANCIAL AID INFORMATION

The Free Application for Federal Student Aid (FAFSA) form is used to apply for all Federal aid. **The Federal Pell Grant** is free money available to qualifying students that does not have to be repaid. This form is required of all students wanting to apply for loans and WIA funding. "Students are not allowed to receive Pell at two locations at the same time. You either must withdraw from the location or not use Pell at that location.

Note: If you are receiving financial aid at another location, you may not have enough to cover your cost at Blush Platinum Academy. Students applying for loans are required to complete entrance counseling before any funds are disbursed, this is completed the same time that you complete your master promissory note for student loans at www.studentloans.gov and at the end of their enrollment they are required to complete exit counseling, which can be completed online at: www.studentloans.gov.

Subsidized loans are available to students who qualify. This loan must be repaid by the student. Repayment starts six months after the students' last day of enrollment at Blush Platinum Academy. Interest on this loan is paid by the Federal Government while the student is enrolled, at least half time. This loan must be repaid, even if the student does not complete their course of study.

Unsubsidized loans are available to students who qualify. This loan must be repaid by the student. Repayment starts six months after the students' last day of enrollment at Blush Platinum Academy. The interest on this loan must be paid while the student is enrolled. This loan must be repaid even if the student doesn't complete their course of study.

VERIFICATION POLICY

Your application for Federal Student Financial Aid has been selected by the U.S. Department of Education or Blush Platinum Academy for review in a process called Verification. Verification is a systematic means of comparing various financial and informational documents with the information you provided on the Free Application for Federal Student Aid (FAFSA). The following information is an outline of the policies and procedures that govern the Verification process, your responsibilities, and the appropriate deadline dates for the Federal Student Aid programs. If you have any questions, feel free to contact Blush Platinum Academy.

Our Verification Policy: According to federal guidelines, it is the policy of Blush Platinum Academy to withhold the awarding of Federal Student Financial Aid until the Verification process is considered complete. This policy ensures that the information provided by the Federal Processor to our officer and your aid eligibility determination is correct before any funds are awarded to you.

Verification Completion: The Verification process will be considered complete once in the following has been accomplished:

1. Fully complete and submit to the Financial Aid Officer the Verification Form along with copies of your (and your spouse if married) IRS Tax Return Transcript and the Transcript for your parents (if parent data was required on your FAFSA) for the tax years used on the FAFSA. Provide copies of IRS Transcripts ONLY if requested.
2. Submit copies of any other documents as requested by the Financial Aid Officer.
3. The Financial Aid Officer will compare the Federal Processor results with the documents requested.
4. If Verification reveals that data provided by the Federal Processor is accurate, you will receive an award letter from the Blush Platinum Academy financial aid office.
5. If Verification reveals that data provided by the Federal Processor is incorrect, Blush Platinum Academy will electronically correct your data with the Federal Processor. As a result, you will receive notification of the corrections either by mail or e-mail from the Federal Processor. After we receive the corrected information, you will be processed for an award letter.

Corrections to Previously Determined Aid Eligibility: If your aid records weren't originally selected for Verification, then we would have no reason to delay disbursement of aid to you. However, if you request that some data element on your aid record be changed or corrected after aid has been disbursed to you, then it is possible that the U.S. Department of Education could select your record for Verification. If that occurs, then you will be asked to provide various financial and informational documents to verify the accuracy of your aid record. You will be required to provide the necessary Verification documents according to the following deadlines:

Federal Pell Grant: If you have already received Pell Grant funds prior to being selected for Verification, you must provide requested documents by August 31 of the aid year in which you are receiving assistance, or no later than your last date of attendance for the academic year, whichever is earlier. Subsequent disbursements of Pell Grant funds will be withheld until Verifications is completed.

Direct Loan, Supplemental Educational Opportunity Grant (SEOG): The requested Verification documents must be received at the Financial Aid Office within sixty (60) days of the first notification that documents are needed. Subsequent disbursements of Perkins Loan, Direct Loan, and SEOG funds will be withheld. You will also be asked to suspend Federal Work-Study employment pending the completion of Verification, if applicable.

If verification reveals that your aid eligibility has changed, it may be necessary to repay aid already disbursed to you. Failure to repay aid funds for which you have been determined ineligible will make you

ineligible for further Federal Student Aid (whether grants, loans, or work-study) at any institution until the aid is repaid in full. Your account will also be referred to the U.S. Department of Education to record your ineligibility for further Federal Student Aid.

The Consequences of Failing to Complete Verification

Under the Pell Grant program, you forfeit the Pell Grant for the award year:

1. Direct Loan eligibility can be certified, but Blush Platinum Academy will not disburse funds until Verification is completed.
2. In all cases, Blush Platinum Academy will take the necessary steps to secure repayment of aid funds already disbursed to you for which you have been determined to be ineligible. Overpayment of any awards will result in a notification to the Department of Education within forty-five (45) days.

Summary: The selection of an aid Application for Verification is a means to ensure that aid awards are based upon the most accurate information possible. Some applications are selected purely on a random basis, while others may be selected due to inconsistent information. Whatever the reason may be, your cooperation is greatly appreciated at the sooner the requested information is provided, the sooner your aid record will be considered complete and Blush Platinum Academy will be able to fully disburse aid to you.

NOTIFICATION OF AWARD

After the Financial Aid Officer has completed for financial aid package, a financial aid Award Letter will be sent to you explaining the types and amounts of financial aid being offered.

What is an Award Letter? The Award Letter will reflect all federal, state, and College aid being offered to you, including scholarships, grants, loans, and Federal Work-Study.

Other aid, such as tuition waivers, assistantships, fellowships, or scholarships from organizations outside the College will be listed once the Financial Aid Office is notified about the award.

The Award Letter also explains the procedures that you need to follow to accept or reduce any of the awards being offered. Please pay close attention to all the information, as it provides additional instructions and information about awards in your financial aid package.

NOTE: A student may receive more than one Award Letter for a particular academic year because of changes in the types or amounts of aid previously offered.

Award letters are mailed directly to students at their current home address or emailed to student at email address furnished to school. It is your responsibility to keep our office informed of any address changes.

Award notices must be returned to the Financial Aid Officer within ten (10) days of receipt. Failure to return the award letter within ten (10) days may result in the cancellation of your financial aid award.

ACCEPTING, REVISING, OR REJECTING YOUR AWARD

If you are accepting the award as is, you should sign all sections of the award letter and return it to the Financial Aid Officer. If you wish to accept partial awards or decline the package, complete the appropriate blanks on side two of your award letter, sign and return the letter to the Financial Aid Office. The second copy of the letter should be kept for your records. If you have received scholarships, stipends, or other aid/awards that are not listed on the award letter, you should list the aid on the award letter or a separate sheet of paper and return it to us. Your award letter requires you to inform us of money or aid you receive but is not listed on your award notification. If you receive money from other sources at any time during the year, we may have to reduce your awards at that time.

ESTIMATED AWARDS / REVISED AWARDS

Your award letter tells you the status of your applications. If your awards are not finalized, "ESTIMATED AWARDS" will appear on your award letter. This means that your application for financial aid at Blush Platinum Academy is incomplete or being reviewed. Until this review of your application is complete, institutional charges such as tuition, fees, and room and board will be deferred. Also, sometimes awards will change because of this review or Verification.

DISBURSEMENT OF FUNDS

Your statement will show an anticipated credit for a federal student loan if you have applied for one prior to the last six weeks and if you qualify according to federal regulations. If the credit does not appear, it is because we have not yet been informed that your loan was approved. If a federal subsidized or unsubsidized Safford Student Loan was suggested in your award letter, the loan should already be automatically approved if you signed a Master Promissory Note (MPN) within the last 10 years.

If you have not yet submitted your MPN or loan application, do so immediately by completing the form at: www.studentloans.gov

The initial process can take up to six weeks and credit cannot be extended until your MPN is received and your loan is approved. All student loan funds are sent directly to the Financial Aid Officer by electronic funds transfer (EFT). When we receive your EFT, we will automatically credit your account if you meet the eligibility requirements. If you wish to cancel a loan or loan disbursement received by EFT, you must inform us. You can also do so by completing a "Request to Return Loan Funds" letter and mailing it to the Financial Aid Officer. If we receive the cancellation request later than the first day of the payment period or within fourteen (14) days after the date we sent you or your parent notice explaining your right to cancel, we must return the loan proceeds to the holder of the loan, cancel the loan, or both. Students who have received lender approval on a private loan may take credit for such a loan if a credit is not already included on your statement by completing the payment worksheet and returning it with your payment. If you wish to cancel or reduce an approved loan before we receive the funds, you must contact your lender directly.

Federal Parent Loans for Undergraduate Students (PLUS) are co-payable to the College and the parent. If the funds are disbursed as a check, the check will be forwarded to your parent for signature. Upon return

of the endorsed PLUS loan, the check will be credited to your account. Please note that the College does not extend credit for the Parent PLUS loan until your lender officially approves it.

Loan funds will be used to pay all institutional charges, including prior minor term balances with written authorization from the student as long as payment of prior term balances allows for the current term charges to be paid.

Please respond to notification letters quickly. Any temporary credits extended to a student against an anticipated loan will expire within thirty (30) days of the term. If you have applied this credit against your charges on your Statement of Account and your check is not received and endorsed within thirty (30) days, or funds to be received by electronic transfer are not received and applied to your account within three (3) business days of receipt, you will be charged interest at a rate of 12 percent per year. Students who do not complete registration on a timely basis are at risk of having their loan funds returned to their lending institution and will have to start the loan process all over again. You may check on the status of your student loan(s) by calling Blush Platinum Academy 304-933-3074.

RETURN OF TITLE IV FUNDS POLICY

Official withdrawal occurs when the student notifies in writing to be withdrawn from all classes. Unofficial withdrawals occur when the student ceases attending and receives grades of "W" in all their classes. The withdrawal date for the student who did not officially withdraw is the midpoint of the payment period or later if documented by Blush Platinum Academy. The student may owe Blush Platinum Academy or the Department of Education. Upon written request from the student, the Financial Aid Officer will provide examples of how the return of Title IV funds work.

An explanation in brief for Return of Title IV Funds is as follows:

1. Determine the percentage of the payment period of enrollment the student completed. If the student completed more than 60 percent of the period, the student earned 100 percent of the aid for the period. If the student completed 60 percent or less of the period, the percentage the period completed is the percentage of aid earned. For clock-hour programs, the percentage of the period that the student completed is calculated using the hours earned by the student in the payment period divided by the number of hours in the payment period.
2. Determine the amount of the earned aid by multiplying the total awarded Title IV aid for which the student qualified by the percentage of time enrolled.
3. Subtract earned aid from aid that was disbursed. If the aid already disbursed is greater than the earned aid, the difference must be returned. If the aid already disbursed is less than the earned aid, the student may receive a post withdrawal disbursement for the difference. Notification of a post-withdrawal disbursement will be sent in writing to the student (or parent for a PLUS loan) and a response accepting the funds must be received by Blush Platinum Academy within fourteen (14) days. Post- withdrawal disbursements may be credited to outstanding tuition and fees without permission, be credited to other outstanding current year institutional charges which the student or parent previously authorized, be credited to other current year institutional charges, or be credit for minor prior year charges. A second or subsequent loan disbursement cannot be made as a post-withdrawal disbursement.

4. Determine the responsibility for returning unearned aid. Blush Platinum Academy share of unearned aid is the lesser of the total amount of unearned aid or an amount equal to the institutional charges multiplied by the percentage of aid unearned. The student's responsibility is equal to the total amount of unearned aid minus the school's responsibility. There are two special rules for the student's responsibility. If the student's portion of unearned aid is a loan, no further action is required other than notification to the holder of the loan of the student's withdrawal date. The terms and conditions of the loan take care of the repayment. If the student's portion of unearned aid is a federal grant, the student returns no more than 50 percent of the amount received for the payment period. A student who owes an overpayment will retain eligibility for Title IV program funds for forty-five (45) days from the earlier date the institution sends a notification to the student of the overpayment, or the date the institution was required to notify the student of the overpayment.

5. During the forty-five (45) days, the student may take action that can continue eligibility for Title IV funds. The student may repay the overpayment in full to the institution, the student may sign a repayment agreement with the institution, or the student may sign a repayment agreement with the Department of Education. If a student does not take one of these three actions during the 45-day period, the student becomes ineligible for Title IV funds. Blush Platinum Academy notifies the National Student Loan Data System (NSLDS) of the overpayment. Academic transcripts will be withheld, and the student not allowed to register at Blush Platinum Academy until the overpayment is paid.

RETURN TO TITLE IV FINANCIAL AID (EXAMPLE)

When a student withdraws from school, the institution is required to apply a pro-rated reduction on the financial aid that has been awarded. This pro-ration is required to be in effect through the 60% of the payment period, which is until you were scheduled to complete at least 270 clock hours. The effect of this policy is that even if you have a financial aid award that covers your institutional costs, you may have a balance with the institution if you withdraw.

EXAMPLE Financial Aid Award:

Pell Grant \$5775	1st disbursement	\$2888
Direct Loan \$3500	1st disbursement	\$1750
(Less Fees)	<hr/>	
		Total \$4638

Student withdraws and was scheduled to complete 135 hours of the 450-payment period. $135 \text{ hours} / 450 = .30$ or 30%. The student was scheduled to complete 30% of the payment period and therefore earned 30% of the financial aid that had been awarded.

$\$4638 \text{ aid awarded} \times 30\% = \$1357 \text{ earned financial aid}$

Blush Platinum Academy must return the unearned aid to the Department of Education.

\$4638 aid received - \$1357 earned aid = \$3168 unearned aid

Blush Platinum Academy will return \$1750 to the Direct Loan program and \$1497 to the Pell Grant Program.

Return to Direct Loan: \$1750

Return to Pell Grant: \$1497

Amount owed to Blush Platinum Academy: \$1391

Attachment A:
